

Late Summer Update 2009

There is a full schedule awaiting you for the upcoming winter season due to the efforts of your dedicated Snowbird Board of Directors including our famous energizer bunny, Faith!

Enclosed is the latest and greatest edition of the Daily and Special Events Calendar for winter 2009/2010. Our 20th Anniversary Celebration is set for February 6th 2010. Details are still in the works! Bring your photos and memorabilia. Good News for New Year's Eve! The Pirate Band will be back!

Themes for the months are: November - Fall Festival, December - Celebration, January - Memories, February - Where are your Roots?, and March-Luck of the Irish (wonder who thought of that...!) Bring your stuff to strut!

The summer monsoon season has been mild thus far; very few storms but also very little rain. Still lots of HEAT, of course. The shrubs, trees and even our outdoor crew is looking a bit wilted....! We hope you're enjoying your friends and families and much better weather than we have this time of year.

Our staff is looking forward to your arrival and the camaraderie that you share as an "Islander Family". Many thanks to you for choosing us for your winter roost! Safe travels and the very best of health and happiness to you and your families.

See you soon!

Ann Quiggle and entire Staff

P.S. Thank you for your well wishes when I was not feeling my best last season. I am happy to be back and feeling fine!
